- » One participant per industry per group. Must represent the industry that the member organization is listed under in the Boise Metro Chamber directory.

- » More than three consecutive absences will constitute removal from the group.
- » Members are responsible for their own meal costs.
- » The Chamber will maintain a waiting list for the groups by business industry. When an individual drops out or is removed from the group, the group leader will notify the participant and will contact Chamber staff to find a replacement.
- » Meeting places may vary. The Chamber is available for meetings with one month advance notice. Most groups meet once a week.
- » A minimum of 10 members are needed to start/maintain a leads group, with a maximum of 40 members.
