

2021–2023 Leadership Boise Application

The Boise Metro Chamber's Leadership Boise program has, and continues to seek, the best, brightest, most energetic and interested participants. As one of the oldest Chamber–sponsored leadership programs in the United States, Leadership Boise has graduated more than 1,500 civic leaders since its inception in 1975.

It is encouraged that you have lived in the Boise area for more than a year, before applying to Leadership Boise. [To download the FAQ flyer on LB, click here.](#)

This year, the 2020/2021 class experienced a nearly fully remote first year program. While in–person sessions will always be preferred, we now know that it's possible to deliver high quality and engaging programming via remote channels like Zoom. By July 31, 2021 the Boise Metro Chamber will make decisions about Fall 2021 programming, whether sessions will occur in–person, remotely, or some hybrid of the two. If you have any questions or concerns, please contact Madison Warner at mwarner@boisechamber.org

To be considered and offered an interview:

1. Your company must be a Boise Metro Chamber member. If your company doesn't join by the interview/selection process in May 2021, you will be removed from the applicant list.
2. Attendance at the two–day, overnight, Opening Retreat is **REQUIRED** to participate in the program. Overnight is tentative due to COVID, but the dates are firm. If you know you are unable to attend, you will automatically be removed from the interview/selection process. **The date for this is August 20–21, 2021.**
3. Please review the commitment and dates for the program. [Click here for time investment contract.](#)

NOTE: There will be a maximum limit of up to 3 applicants admitted into the program per company (dependent on company size and applicant pool).

Application due date: May 14, 2021

A partially completed application cannot be saved for later completion. Allow 30–40 minutes to complete the application. It is recommended to answer in a word document in order to save and then transfer to the final application when you are ready to submit.
