

BOISE METRO CHAMBER

Have your photography featured in our newsletter!

The Metro Connection newsletter is the Chamber's longstanding monthly periodical written, designed, and produced right here in downtown Boise. With a readership of over 4,000 Boiseans and beyond, the Metro Connection's mission is to highlight the gems of our beautiful city as well as the efforts and successes of our chamber.

This year, we would like to showcase your work. The foothills, the spring flowers, the geometry of our expanding downtown cityscape, the crotchety geese — whatever scene here in the Treasure Valley captures your eye, we want it to capture ours as well.

Photos must be high-quality and in JPEG format. For more information and expanded guidelines, contact Connor Jay Liess at cliess@boisechamber.org or (208) 472-5242.

Spring Is Here
